**THE CITY UNION OF BALTIMORE  
LOCAL 800, AFT, AFL-CIO**

**UNIT I (Non-Supervisory)**

**and**

**THE MAYOR AND CITY COUNCIL OF BALTIMORE**

This Memorandum of Understanding entered into as of the 1<sup>st</sup> day of July 2023 between the Mayor and City Council of Baltimore (hereinafter referred to as "Employer" or "City") and City Union of Baltimore, Local 800, AFT, AFL-CIO (hereinafter referred to as "CUB"). To the extent that implementation of these points requires action by the Board of Estimates and/or the City Council, this Memorandum will serve as a request and recommendation to such bodies that it be so implemented.

## **ARTICLE 1: DECLARATION OF PRINCIPLE, POLICIES AND PURPOSE**

It is the intent and purpose of CUB and the Employer to promote and improve the efficiency of the operations of the City of Baltimore. In order to render the most efficient public service to the citizens of the City, CUB and Employer agree that this goal can best be achieved through an orderly, constructive and harmonious relationship between them. The parties hereto are in further accord that effective employee relations in the public service requires a clear statement of the respective rights and obligations of labor and management and for this purpose enter into the following Memorandum of Understanding.

The Employer and CUB agree that in all instances in this Memorandum in which the masculine form of the third person pronoun is used, such pronoun shall refer to both male and female employees.

## **ARTICLE 2: RECOGNITION**

A. Pursuant to the provisions of the Municipal Employees Relations Ordinance (“MERO”) Article 12 of the Baltimore City Code and the Code of Public Laws of Baltimore City, the Employer recognizes the City Union of Baltimore (“CUB” or “Union”) as the exclusive representative of all eligible employees in Unit I and certain employees who are presently unrepresented for which CUB has been certified.

B. All Classification Titles and the current pay grade for each title included in the Units for which CUB has been certified shall be listed in the Roster of the Unit. The Employer agrees to furnish CUB a complete list of classification titles and pay grades for all classes which, through reclassification, change in duties, change in titles, or any other reason are proposed as additions, deletions, or changes to Units for which CUB has been certified prior to any such changes. The list to be furnished shall include the name and work location of each person currently employed in the bargaining Unit I.

C. The Employer agrees to provide CUB with advance notice in writing should it decide that a position within the Unit should be excluded. The notice shall include a reason for the exclusion and CUB shall be given the opportunity to discuss the matter.

D. The parties have agreed to create a separate bargaining unit (Unit II) for inclusion of supervisory employees as that term is defined in the City Code, Article 12, §1-1(k). All classifications not designated to Unit II, shall remain in the non-supervisory Unit I. A separate MOU shall be prepared and executed concurrent with this Agreement, and contain identical terms except those set forth in Article 2, and the *CUB Classification Listing* attached to the FY 2024-2025 MOU.

E. Classification Listing: When this Memorandum of Understanding is noted by the Board of Estimates by that action, the Mayor and City Council also shall recognize CUB as the exclusive representative of certain employees who are presently unrepresented. Within ten (10) days of execution of this Agreement, the Labor Commissioner shall meet with representatives of CUB to commence

identification of such classifications. The affected classifications and employees holding such classifications shall be listed in the *CUB Classification Listing* attached to the FY 2024-2025 MOU.

**ARTICLE 3: CHECKOFF**

A. The Employer agrees to deduct CUB dues from the pay of any employee who is certified and represented and who has authorized in writing such deduction pursuant to the pertinent provisions of the Municipal Employee Relations Ordinance. Even if a probationary employee signs a dues check-off authorization before the employee completes his/her probationary period as provided under the Municipal Labor Relations Ordinance, the Employer shall nonetheless begin to check off union dues, as authorized in the check off, within the next full pay period following the Employer’s receipt of the check off authorization from the employee. The terms of this paragraph A shall not for any other purpose change or expand the definition of an “employee” contained in Baltimore City Code Art. 12§ 1-1(d) and moreover this paragraph A shall not extend any representational rights to any probationary employee. The Employer shall promptly transmit all such moneys withheld to CUB on a monthly basis through the Automatic Clearinghouse (ACH), without charge to CUB.

B. Political Action Checkoff

The Employer agrees to deduct from the pay of each employee from whom it receives an authorization to do so, an amount authorized by the employee for political action. If administratively possible, the amount authorized by the employee shall be deducted on a bi-weekly basis, and a list of the employees from whom the deductions have been made and the amount deducted from each, together with a list of the employees who had authorized such deductions, shall be forwarded to the Union no later than two weeks after such deductions have been made in a separate check from Union dues. If not administratively possible, the above transactions shall revert to a monthly basis. The Political Action Checkoff Authorization Form shall read as stated in Addendum C.

C. CUB shall indemnify and save the Employer harmless of any and all claims, grievances, actions, suits or other forms of liability or damages that arise out of or by reason of any action taken by the Employer for the purpose of complying with any of the provisions of this section, and CUB assumes full responsibility for the disposition of the funds deducted under this section.

D. The Employer will provide up to 1 (one) hour during orientation for a Union Representative to meet with new hires, transfers, or others who become part of bargaining unit. No less than once every six months, the Employer shall notify the Union, in writing by mail the times, dates and places of all new employees’ orientation sessions. The Employer shall provide a confirmation notice of the place of each session one week before each scheduled session. In the event no formal orientation session is scheduled, the Employer shall arrange a meeting time and place for the Union Representative to meet with such employees.

**ARTICLE 4: MEMBERSHIP DUES DEDUCTION PRINT-OUT**

A. The Employer shall provide CUB with a print-out of its dues-paying membership to be furnished on a monthly basis without charge to CUB.

B. The Employer shall provide CUB with a print-out of all employees in the Unit for which CUB has been certified with classification title, work location, date of hire and amount of dues paid by each employee on a quarterly basis.

**ARTICLE 5: TERMINATION, MODIFICATION OR AMENDMENT**

A. This Memorandum of Understanding shall become effective on July 1, 2023 and remain in full force and effect until June 30, 2025 unless otherwise stated herein. It shall automatically be renewed from year to year thereafter unless either party shall give the other party written notice of a desire to terminate, modify or amend this Memorandum of Understanding. Such notice shall be given the other party in writing by certified mail no later than January 1 of the year involved.

B. This Memorandum of Understanding may be reopened by either party hereto for the sole purpose of studying the reports of the joint labor-management committees provided for in this Memorandum, in order to negotiate and/or prepare recommended amendments to the appropriate Ordinances as may be mutually agreed to by both parties.

C. In the event that the parties are unable to reach agreement on a successor MOU as of the time the existing MOU expires (i.e. June 30, 2025), the terms of the existing agreement shall continue until an agreement is reached or until such time as the impasse and/or fact-finding process set forth in the City's Code, Article 12, §5-5 through §5-7 is completed; provided, however, that the City shall continue to be able to exercise any management rights which it has under this MOU.

**ARTICLE 6: DISCRIMINATION**

A. All provisions of this Agreement shall be applied equally to all employees in Unit I for which CUB is the certified representative without discrimination as to age, sex, marital status, race, color, creed, national origin, political affiliation, disability, sexual orientation, gender identity, military status, and any other characteristic protected by applicable law.

B. The Employer and CUB agree that they shall not interfere with employees in the exercise of the rights guaranteed under the Municipal Employee Relations Ordinance. The Employer shall not discriminate against an employee in any manner because of membership in or activities on behalf of the Union.

**ARTICLE 7: MANAGEMENT RIGHTS**

The Employer shall have all of the rights set forth in Article 12, Section 3-2a of the Baltimore City Code (2000 ed.), formerly Article 1, §123, (supra), which section is incorporated herein by reference.

**ARTICLE 8: GRIEVANCE AND ARBITRATION PROCEDURE**

A. Subject to any limitations of existing law and the provisions of Section B below, any grievance, defined in the Municipal Employee Relations Ordinance Article 12 (1-1g) as a dispute concerning the application or interpretation of the terms of this Agreement or a claimed violation, misinterpretation or misapplication of the rules or regulations of any municipal agency or the Employer affecting the terms and conditions of employment, may be settled in the following manner. It is understood and agreed that the supervisor or manager who attends the meeting at each step of the grievance procedure has full knowledge of the grievance and has the authority to remedy the grievance.

Step 1. The aggrieved employee, designated steward and/or CUB representative, shall normally discuss the grievance with the employee's immediate supervisor within ten (10) calendar days, and in no event more than thirty (30) calendar days, from the date of the events or conditions, or his knowledge thereof, which provide the basis for grievance. The employee's immediate supervisor shall attempt to adjust the matter within ten (10) calendar days of the presentation of the grievance.

Step 2. If the grievance has not been satisfactorily resolved in Step 1, a written appeal may be filed with the employee's next highest supervisor within ten (10) calendar days following the completion of Step 1. The supervisor shall meet with and discuss the grievance with the aggrieved employee and designated steward and/or CUB representative within ten (10) calendar days of the written appeal. An answer to the grievance shall be submitted to the aggrieved employee and CUB in writing within ten (10) calendar days thereafter.

Step 3. If the grievance has not been satisfactorily resolved in Step 2, a written appeal may be filed with the Labor Commissioner or designee within ten (10) calendar days following the completion of Step 2. Within ten (10) calendar days of such appeal, the Labor Commissioner or designee shall meet with the aggrieved employee and CUB representative to discuss the grievance. The Labor Commissioner or his designee shall respond in writing within ten (10) calendar days thereafter.

Step 4. If the grievance has not been satisfactorily resolved in Step 3, a hearing before an impartial arbitrator may be initiated by CUB within twenty-one (21) calendar days following the completion of Step 3, by filing a written notice with the Labor Commissioner of CUB's decision to arbitrate.

(a) Notwithstanding any AAA rules to the contrary, within ten (10) days of receipt of the Union's written intent to arbitrate the issues involved in the grievance, the Labor Commissioner shall initiate arbitration with the AAA by requesting a panel of arbitrators from the AAA and pay appropriate AAA fees (to be split by the parties as set forth below). Within ten (10) days after receipt of a panel of seven names obtained from the AAA, the

parties shall alternately strike name from that panel until one name remains who shall be the arbitrator. The first strike made in selecting an arbitrator shall be alternated between the Union and the employer from case to case. On a case by case basis, the parties may proceed to Expedited Arbitration under the AAA rules, only upon advanced written agreement signed by both the Union and the Employer's authorized representatives. In such event, the AAA Rules for Expedited Arbitration shall control.

(b) Within twenty-one (21) days following the receipt of the City's Step 3 answer, if the Union decides to proceed to arbitration it shall determine whether it wishes to follow the Regular or Expedited Arbitration Procedure and advise the Labor Commissioner. If the Union chooses Expedited Arbitration, the Labor Commissioner shall have seven (7) calendar days to decline Expedited Arbitration in which case the matter shall proceed to Regular arbitration. Assuming there is no objection to Expedited Arbitration the matter shall follow the process in this section.

(c) The parties shall share equally in the cost of any arbitration proceedings under this section.

(d) The arbitrator shall conduct a hearing on the merits and issue a decision to the Employer and CUB. The arbitrator shall not have authority to alter, modify, add or subtract from any of the terms or conditions of this Agreement. The arbitrator's decision shall be final and binding pursuant to the Municipal Employees Relations Ordinance (MERO), except with respect to grievances involving employees in the Police Department, in which case subsection (e) below shall apply.

(e)

(i) If a grievance involving a Police Department employee involves the policies, procedures or operations of the Police Department or Police Commissioner, the arbitrator's recommendations shall not be final and binding, but shall be advisory only. In the event the arbitrator's recommendations are not accepted by the Police Commissioner, a written statement of reasons will be provided to CUB.

(ii) The determination whether a grievance involves the policies, procedures or operations of the Police Department or Police Commissioner shall be made jointly by the Labor Commissioner and Police Commissioner and this decision shall be binding upon the Employer and CUB. This determination shall be made before an arbitrator is selected.

(iii) If a grievance involving a Police Department employee does not involve the policies, procedures or operations of the Police Department or Commissioner, then the arbitrator's recommendation shall be final and binding pursuant to the Ordinance.

B. Grievances involving employees and operations of the Police Department may be pursued through the procedures set forth in Section A above, except that if a grievance is submitted to the Personnel Service Board in accordance with the provisions of Subtitle 16, Section 16-12 of the Code of Public Laws of Baltimore City, the employee and the Union shall be deemed to have waived their right to have the grievance processed through Section A above.

C. Time limits under this Article may be changed in writing by mutual agreement.

D. If the finding or resolution of a grievance at any step of the procedure is not appealed within any of the prescribed times herein, said grievance will be considered settled on the basis of the last written answer provided by the Employer, and there shall be no further appeal or review. Should the Employer not respond within any of the prescribed times, the grievance will proceed to the next step.

E. Except for Step 1, time limits shall begin for both parties upon the day after receipt of the grievance or the day after receipt of the response.

F. The Union shall be the exclusive representative in all grievance matters under this Agreement.

G. Upon request, any recognized and accredited representative of CUB shall be granted reasonable time off during working hours where and when engaged in processing grievances under the grievance and arbitration procedure.

H. No reprisals of any kind shall be taken by any party involved in the grievance procedure. Except for disciplinary actions, all documents, communications, and records dealing with the processing of a grievance will be filed in a separate grievance file and will not be kept in the official personnel file of any of the participants.

I. Grievances arising out of any discharge, reduction in pay or position, or suspension for more than thirty (30) days shall be filed at step 3 of this article. No resolution of a grievance shall expand or otherwise amend the terms of this Agreement.

J. Should discipline be imposed on an employee while a previous disciplinary action is pending, the parties shall discuss and agree on whether it is appropriate to hear the first disciplinary action prior to the second or merge the two disciplinary actions and have both heard in the same proceeding. If no agreement is reached, the two actions will be merged and heard in the same proceeding.

## **ARTICLE 9: DISCIPLINE AND DISCHARGE**

A. Discipline - Disciplinary action may be imposed upon employees only for just cause. If the Employer has reason to reprimand or otherwise orally counsel an employee, it shall be done in a manner that will not embarrass the employee before other employees or the public. The Employer must impose a

disciplinary action not later than thirty (30) days after the Employer knew or reasonably should have known of the misconduct for which the disciplinary action is being imposed, or within thirty (30) days after the completion of an investigation which shall be conducted in a reasonable period of time.

B. Discharge, Reduction in Pay or Position, or Suspension for more than Thirty Days - The Employer shall not, except with just cause, discharge any employee who has completed his probationary period nor shall the Employer reduce in pay or position or suspend any such employee without just cause. The employee will be promptly notified in writing giving specific reasons for discharge, reduction in pay or position, or suspension for more than thirty (30) days.

1. In the event of a discharge, reduction in pay or position, or suspension for more than thirty (30) days of an employee who has completed his probationary period, the management representative responsible for initiating such action shall, if requested, meet with the affected employee and his CUB representatives within five (5) calendar days from the date of the action complained of.

2. In the event an employee, except an employee of the Police Department, who has completed his probationary period is discharged, reduced in pay or position, or suspended for more than thirty (30) days, such employee and/or his CUB representative may request an investigation by the Civil Service Commission or may initiate a grievance pursuant to the provisions of Article 8 at step 3. Upon the employee and/or his CUB representative electing either the Civil Service Hearing of the Grievance Procedure, such election is irrevocable. If a Civil Service hearing is requested by the employee and/or his CUB representative the Civil Service Commission shall, as part of its investigation, refer such request to its Hearing Officer. The Civil Service Hearing Officer shall conduct a fair and impartial hearing no later than fifteen (15) days from the receipt of such request.

The Hearing Officer, at the conclusion of such hearing, shall make findings of fact and recommendations which shall be forwarded within fifteen (15) days after the hearing to the Civil Service Commission for its determination. The Commission shall take action on such recommendations within fifteen (15) days thereafter. Copies of the Hearing Officer's findings and recommendation and the Commission's written decision shall be sent to the aggrieved employee, the CUB representative and the Department Head.

3. All Civil Service Commission disciplinary proceedings shall be recorded on a tape recorder and/or related machinery to be supplied by the Employer. Following a final disposition by the Civil Service Commission on the Hearing Officer's recommendations, tapes of the Hearing Officer's proceedings in each individual disciplinary matter shall be preserved and inserted in the affected employee's personnel file for further review not to exceed thirty (30) days.

4. Employees whose suspensions or terminations are reduced and/or overturned will be reimbursed within two (2) full pay periods, subject only to those cases which must go through the Board of Estimates, in which case such employee will be reimbursed within two (2) full pay periods following Board approval.

5. Issuance of Discipline and Attendance at Grievance Meetings: It is agreed that the supervisor or manager who is responsible for imposing discipline shall sign the disciplinary form or letter. The City's representative at each step of the grievance process shall include a supervisor or manager who has full knowledge of the grievance and the authority to modify the discipline, if appropriate.

C. In the event that the Baltimore City Charter is amended and a new Human Resources Department is created, the Employer agrees that any such change in the administration of City human resource policies shall not violate an employee's rights to a fair hearing in the event of disciplinary action.

D. Any employee scheduled for a disciplinary hearing or meeting must be given prior notice by management that he has a right to representation by his CUB Representative.

E. Where a police commissioned City employee (i.e. Special Traffic Enforcement Officer, Parking Control Agent) acting within the scope of his/her employment is charged with a criminal offense or is named as a defendant in a civil lawsuit. The City Solicitor will determine whether to provide such employee legal representation through the Baltimore City Law Department, or whether to indemnify the employee if he/she has obtained his/her own counsel. The decision to provide an employee legal counsel will be determined on a case-by-case basis and in the sole discretion of the City Solicitor. In no event will an employee who has been adjudicated "guilty" of a criminal offense or who receives a verdict of probation before judgment (PBJ) be entitled to reimbursement for costs associated with his/her criminal case, including reimbursement for legal counsel.

F. Employees whose terminations arise from an arrest or absence from work caused by detention subsequent to arrest and who are later adjudged not guilty, shall upon request and upon sufficient proof, have the termination for cause expunged from the official personnel file and replaced with a letter of voluntary resignation, after which such employees shall be eligible for rehire, if otherwise qualified. Nothing in this paragraph shall apply to employees disciplined pursuant to the City's Arrest Policy.

**ARTICLE 10: PROBATIONARY PERIOD**

A. All newly hired unit members shall serve a probationary period of six (6) months beginning on their date of hire, during which the employee's competency to fulfill the duties of the position will be judged by the Employer. Police Department employees shall serve the one-year probationary period as set forth in The Code of Public Local Law of Baltimore City.

B. An employee who is recalled to his/her same position shall not be required to serve a probationary period. Should an employee be recalled to a different classification, the employee shall be required to serve a probationary period, but if the employee is unable to perform the job, she/he shall be returned to layoff status. Employees who quit, are terminated or are laid off for a period in excess of one (1) year, shall be required to serve a probationary period if they are rehired. Employees who are promoted shall serve a probationary period as set forth in the City's Civil Service Rules and Regulations.

**ARTICLE 11: RATES OF PAY**

A. During the term of this Memorandum of Understanding, the salary system that was effective July 1, 1989 and which consists of four levels for each salary grade, entitled "Hiring Level," "Full Performance Level," "Experienced Level," and "Senior Level," respectively, shall continue. The length of continuous service required in one level of a grade before an employee may move to the next level of that grade shall be eighteen (18) months. In order for an employee to move between levels, that employee's job performance must be certified as being satisfactory. Under the level movement system, appropriate service in grade prior to the July 1, 1981 implementation of the level movement system shall continue to be credited toward level movement.

B. Wage increases for employees shall be as follows:

**FY 2024** – A 4% across-the-board wage increase shall be given to each active employee covered by this Agreement who is on payroll and in pay status as of the date that this Agreement is noted by the Board of Estimates. Said increase shall be retroactive to July 1, 2023.

In addition to the aforementioned increase for FY 2024, a one-time signing bonus of \$500 (five hundred dollars) shall be paid to each active employee covered by this Agreement who is on payroll and in pay status as of the date that this Agreement is noted by the Board of Estimates. Payment shall be as soon as practicable following approval, as required, by the City Council and/or Board of Estimates.

**FY 2025** – A 4% across-the-board wage increase to each active employee covered by this Agreement shall be given effective July 1, 2024.

C. Employees covered by this Agreement shall receive the following longevity increments as a percentage of the maximum of the grade, or in the event that they are on a flat salary basis, then as a percentage of their annual flat salary, as follows:

- 10 years – 3%
- 15 years – 3%
- 20 years – 3%
- 25 years – 3%
- 30 years – 3%
- 35 years – 2%
- 40 years – 3%

D. Night Differential Pay

1. Employees regularly assigned to night or shift work shall be paid fifty cents (\$.50) per hour above their established pay rates for each hour worked on a shift which commences between the hours of 2:00 p.m. and 5:00 a.m. This provision shall not apply to employees whose emergency

assignments start or carry into the above-named periods. When applicable, night differential shall be paid at the appropriate overtime rate.

2. An employee not regularly assigned to the night shift, but who works overtime hours into the night shift, shall receive the night differential for all overtime hours worked into the night shift in excess of ten (10) hours in a given bi-weekly payroll period. Said differential shall be paid at the rate of thirty cents (\$ .30) an hour at time and one-half (1½).

3. An employee who works overtime extending into the night shift shall be paid the night differential of thirty cents (\$ .30) at time and one-half (1½) of that rate if he works the entire night shift regardless of the total number of hours of overtime worked within the given payroll period.

4. Recreation employees in the Bureau of Recreation whose regularly assigned shifts entitle them to night differential pay shall be eligible to receive night differential for all hours worked on a shift which, because of a temporary shift change, commences prior to 2:00 p.m.

E. Hazardous Duty Pay and Environmental Pay

of their normal shift hours for the day, and/or weather emergency work schedules are activated (e.g. A/B 12-hour shifts), those essential personnel who work in excess of their regular shift, shall receive a one-time fifty-dollar (\$50.00) stipend for each such Inclement Weather occurrence (*i.e.*, employees shall only receive one \$50 stipend for two or more inclement weather days in a row, in addition to other benefits provided herein).

Within thirty (30) days thereafter, the Employer shall begin to train the representatives in the counseling of employees so that they may assist employees in the selection of retirement plan and/or retirement allowance options. CUB representatives selected as counselors shall be granted time with pay from their positions in the classified service while engaged in training and orientation and during the periods spent counseling prospective retirees.

E. Transfer of Pension Funds: Employee Authorization and Release

In cases where the Employees' Retirement System transfers annuity and pension funds to either the State Retirement System or Teachers' Retirement System, affected employees shall be notified for the purpose of executing an authorization and/or release for such transfer. Prior to and after the employee's annuity and pension funds have been transferred to either the State Retirement System or Teachers' Retirement System, the Employees' Retirement System shall provide each affected employee with a financial statement regarding his respective annuity and pension funds. Until this authorization and/or release are fully executed, the member shall remain in the Employees' Retirement System without loss of benefits.

F. Deferred Compensation Plan

The City shall assume the five percent (5%) administration fee for those employees who participate in the deferred compensation plan which is presently in existence or any modified or alternate plan. Prior to submitting any recommendations for changes to the deferred compensation plan to the Board of Estimates, the City will meet and consult with CUB.

G. Retirement Benefits Committee

A joint labor-management committee will be convened by November 2000, with equal representation of management and union. The purpose of the committee is to consider proposals to improve retirement benefits of the employees who are members of the Employees Retirement System. **ARTICLE 14: HEALTH AND WELFARE**

A. The parties recognize, and agree to, the Third Health and Prescription Drug Plan Agreement, as approved by the Board of Estimates on June 27, 2018, which is attached hereto as Addendum A, along with the accompanying exhibits, and which shall remain in effect as provided therein. The parties recognize that the Third Health and Prescription Drug Plan Agreement shall need to be amended and modified through bargaining conducted among all participating unions during the term of this Agreement.

While remaining in negotiation, and prior to impasse, the terms of the Third Health and Prescription Drug Plan shall remain in effect, with the intent that all terms of the Third Health and Prescription Drug Plan shall continue to operate.

B. Part-time employees covered by this Article, except employees hired before July 1, 1982, must consistently work an average of fifty percent (50%) of a regularly scheduled work week to be eligible for the benefits in A and B, above.

C. In the event an employee is on leave without pay for personal illness, the Employer shall continue to pay its share of the cost of his CareFirst Blue Cross Blue Shield or HMO coverage for a period not to exceed thirty (30) days, provided the affected employee continues to assume his appropriate contribution for said coverage.

D. Employees who reach age sixty-five (65) shall be covered by CareFirst Blue Cross Blue Shield 65 Plan Benefits in addition to Medicare. This coverage shall continue after the employee retires. In this respect the Employer shall continue to deduct the retiree's contribution, if any, from his pension, or in the alternative, the retiree shall assume his appropriate share of payment for such coverage.

E. The Employer shall provide all employees enrolled in a designated health insurance plan or plans with information concerning the particular program. This information shall be contained in a booklet which shall be provided and paid for by either the insurance carrier or the Employer.

F. Eligible unmarried dependents who are full-time students shall be covered by Baltimore City's General Prescription Drug and Vision Care Programs until the end of the calendar year the dependents reach age 23 or until the end of the year they cease being full-time students, whichever occurs first.

G. The Employer shall remit an annual payment of six hundred fifty dollars (\$650.00) (to be paid bi-weekly) to each employee who, with satisfactory proof of alternative health insurance coverage received in another plan, elects not to take any coverage under a City Health Care Plan. If, after waiving coverage under any City Health Care Plan, the employee loses coverage due to the death of a spouse or other person who is a source of coverage, divorce or loss of employment or deletion of benefits (or such other qualifying event as determined by the Employee Benefits Division), the employee may enroll in a City Health Care Plan and consequently relinquish the waiver payment. The employee must notify the City's Employee Benefits Division within sixty (60) days after a qualifying event occurs in order to enroll in a City Health Care Plan. If after sixty (60) days the employee has not enrolled in a City Health Care Plan, he must wait until the next open enrollment period.

H. Effective January 1, 2020, the Employer shall remit an annual payment of \$2,500.00 (twenty-five hundred) to be paid bi-weekly to each employee who, with satisfactory proof of alternative Health Insurance coverage received in another plan, elects not to take any coverage under a City Health Care Plan. The waiver of coverage applies to medical, dental, vision, and prescription drug programs. Health care coverage cannot be provided by a spouse/domestic partner who receives City benefits. If, after

waiving coverage under any City Health Care Plan, the employee loses coverage due to the death of a spouse or other person who is a source of coverage, divorce or loss of employment (or such other qualifying event as determined by the Employee Benefits Division), the employee may enroll in a City Health Care Plan and consequently relinquish the waiver payment. An employee must notify the City's Employee Benefits Division within 30 days after a qualifying event occurs in order to enroll in a City Health Care Plan. The Employer shall apportion the payment should an employee either enter or leave a City Health Care Plan within a calendar year.

**ARTICLE 15: JOINT LABOR-MANAGEMENT CHILD CARE COMMITTEE**

The Employer and CUB recognize that the issue of childcare is a concern of unit members. **ARTICLE 16: DEATH AND ACCIDENTAL DEATH AND DISMEMBERMENT AND CATASTROPHIC ILLNESS BENEFITS**

A. Death benefits shall be provided in the amount of \$17,630 or the employee's annual salary, whichever is greater. The death and dismemberment benefits for permanent part-time employees who work an average of fifty percent (50%) of a regularly scheduled work week shall be the greater amount of their annual salary or that percentage of \$17,630 which corresponds to the percentage of the work year of a full-time employee which is represented by that part-time employee's regularly scheduled annual hours.

Dismemberment benefits shall be as follows:

1. For the loss of a hand, foot, or the sight of an eye, the benefit will be one-half (1/2) the amount specified in A, above.
2. For a double dismemberment, the benefit will be equal to the amount specified in A, above. Double dismemberment shall be defined as:
  - (i) Both hands or both feet
  - (ii) One hand and one foot
  - (iii) One hand and the sight of one eye
  - (iv) One foot and the sight of one eye
  - (v) Sight of both eyes

B. In the event of accidental death, the benefit payable shall be double the amount specified in A, above.

C. The death benefit as stated in A, above, may be paid in advance to employees who are catastrophically ill. An employee who is catastrophically ill is characterized by the following: (1) he is totally disabled and therefore cannot work for the City or any other Employer in an active or limited capacity, (2) his medical prognosis shall state that the disabling illness which arose either suddenly or gradually is likely to cause the death of the affected employee within a two (2) year period, (3) the affected employee must apply for an ordinary disability retirement allowance or a service retirement allowance, if over age 60, to be eligible for the catastrophic illness payment.

The claim must be filed within six (6) months after the claimant has become incapacitated or disabled and is unable to return to work.

The Department of Human Resources shall be charged with administering the catastrophic illness benefit and determining the eligibility of the claimant for said benefit. Upon request, CUB or the employee shall furnish the Department of Human Resources with any and all data and documentation pertaining to each claim. The Department of Human Resources may order examination of the claimant by a physician of its choice. No benefits may be paid for injuries or disabilities for which compensation was paid under (1) Workers' Compensation laws or (2) accidental disability provisions of the Employees' Retirement System. If the decision of the Department of Human Resources is unsatisfactory to CUB, an appeal may be made to the Catastrophic Illness Appeals Board. Said Board shall be comprised of three (3) members; one member chosen by the City, one member chosen by CUB, and a third member chosen by both parties to serve as impartial chairman of the Board. The impartial chairman must possess an M.D. degree. In its deliberations, the Board shall be furnished any and all data and documentation pertinent to the appeal by both parties. The Board may order examination of the appellant by a physician of its choice.

If the claimant should expire after it has been determined that his illness is catastrophic and before the catastrophic illness benefit is paid, the payment shall be made to the named beneficiary or guardian upon receipt of a valid death certificate showing that the illness which was previously determined as catastrophic contributed to or was directly responsible for the death.

D. An employee's coverage under this Article shall be terminated upon resignation or thirty-nine (39) days after the last day he was in pay status on the City payroll, except that employees represented by CUB shall be covered by a reduced death benefit of \$5,000 if they retire from City employment. Retired persons so covered shall also be covered by the Accidental Death and Dismemberment provisions outlined herein above at the reduced rate.

E. Beneficiary

The beneficiary of these benefits will be one of the following:

- (a) The beneficiary designated by the employee to receive retirement system benefits; or
- (b) A specifically designated beneficiary of the above benefits, in lieu of the beneficiary designated in (a) above.

If the employee so designates a beneficiary, he shall have the right to change the beneficiary at any time. The beneficiary change shall become effective on the date acknowledged by Employer.

F. Employees of the Police Department shall remain eligible for the benefits of the Death Relief Fund as set forth in applicable State Law during the term of this Memorandum of Understanding (MOU).

## **ARTICLE 17: HOURS OF WORK**

A. All regular classified employees as well as all shift employees shall work a regular workday of eight (8) consecutive hours including a forty (40) minute duty free, unpaid lunch (within each twenty-four (24) hour period) totaling forty (40) hours per week, to begin at such times designated by each department as regular workdays and regular shift workdays. A work shift shall consist of eight (8) consecutive hours including a forty (40) minute minimum duty free, unpaid lunch period. In the case of the Police Department, employees may be required to work more than one shift in a twenty-four (24) hour period to accommodate routine shift rotations.

B. Shift and other employees shall not be required to work more than sixteen (16) consecutive hours without an eight (8) hour break, except in case of an emergency endangering life, health or safety. If an employee is required to work for more than sixteen (16) consecutive hours under such an emergency situation, that period shall not exceed twenty-four (24) consecutive hours. Employees shall not be regularly required to work more than sixteen (16) consecutive hours. After twenty-four (24) hours, the Department or Agency Head must declare an emergency if the Employer wishes to consider the situation "an emergency" under this provision.

C. Work schedules showing the employee's shifts, workdays, and hours shall be posted on each department bulletin board at all times and at all locations within the department where shift work takes place.

D.

1. In those work sites in which the City has heretofore provided lunch facilities, the City will either provide adequate facilities or stagger lunch breaks where necessary to insure each employee a full forty (40) minute lunch period. With the approval of the appropriate supervisor, employees shall be allowed to leave the work premises during duty-free lunch periods. Approval will not be unreasonably denied.

2. If an employee's unpaid, duty-free lunch is interrupted because of plant operations and the employee is not given time during his shift to finish lunch, the uncompleted portion of the lunch period shall be paid at the appropriate overtime rate.

E. An employee required to work three (3) or more hours immediately preceding a normal full-time work shift or immediately following the completion of a normal full-time work shift shall receive a meal allowance of \$7.50.

F. Call Back - Employees called in to work outside of their regular shift shall receive pay for a minimum of four (4) hours at the rate of time and one-half (1½) their regular pay. Any employee called to or required to work prior to or after his regular shift, but annexed consecutively to one end or another thereof, shall be paid in accordance with the provision outlined in Article 18, Overtime, but in no event less than one hour, and the aforesaid four (4) hour minimum provision shall not apply. The employee shall then be paid for the balance of his regular work shift at the appropriate rate. Nothing herein shall be construed as to mean compounding of overtime. This four (4) hour minimum shall not be counted as time worked for overtime purposes.

G. When a Unit member is ordered to stand by during his off duty hours and remain available by telephone or pager for call back to duty, that Unit member shall be paid at one and one half times (1½) his regular rate of pay for all hours spent on such stand by assignment.

#### **ARTICLE 18: OVERTIME**

A. All hours worked in excess of forty (40) hours scheduled within a work week shall be considered overtime and non-exempt employees shall be compensated at the rate of one and one-half (1½) times their normal straight time rate of pay. All paid leave shall be counted as hours worked in the computation of overtime. The straight time rate shall be based upon the employee's annual salary divided by 1906.

B. After forty (40) hours of work in a work week, non-exempt employees shall have the option to receive overtime compensation as a cash payment or as compensatory leave. Effective July 1, 2005, all eligible employees in the Police Department except for employees assigned to Communications Section shall receive cash payment or compensatory time. Effective July 1, 2006 eligible employees in the Police Department's Communications Section shall receive cash payment or compensatory time. The maximum accumulation of compensatory time shall be two-hundred forty (240) hours.

C. Exempt employees shall follow the City overtime policy.

D. The overtime rate of pay for all hours worked on the seventh consecutive day worked in a regular work week shall be at the rate of two (2) times the normal straight time rate of pay.

E. Where, in the normal operation of a Department, work is regularly scheduled on Saturdays and/or Sundays, ten (10) days of work shall be scheduled in each fourteen (14) day period. An employee working this type of schedule shall be paid one and one-half (1½) times his hourly rate as provided above

in A, except that for all hours worked in excess of twelve (12) work days during the fourteen (14) day work period, the employee shall be paid two (2) times his hourly rate.

F. Overtime work shall be offered equally to employees working within the same job classification in each work area. The offering of overtime shall be equalized over each six (6) month period beginning on the first day of the calendar month following the effective date of this Agreement or on the first day of any calendar month this Agreement becomes effective. Insofar as practical on each occasion, the opportunity to work overtime shall be offered to the employee within the job classification who has the least number of overtime hours to his credit at that time. If the employee does not accept the assignment, then the employee with the next fewest number of overtime hours to his credit shall be offered the assignment. This procedure shall be followed until the required employees have been selected for the overtime work. Each Department shall maintain an up-to-date list of overtime hours offered and worked which shall either be posted on a bulletin board and/or kept in an overtime log book for employee access.

G. Overtime work shall be voluntary except in the event of an emergency situation. There shall be no discipline against any employee who declines to work overtime, except in the event of an emergency. For the purpose of this paragraph, an emergency situation is defined to mean an unforeseen serious situation or an occurrence that happens unexpectedly and demands immediate action. A record shall be kept for each employee, showing the number of hours of overtime he was offered but refused to work. These hours shall be counted towards overtime hours offered as per Article 18F.

H. Any assigned City vehicle should be returned to the City lot at the close of the work day. Any employee not allowed to leave the job site before quitting time will be paid for the period of time necessary to return the vehicle to the City lot, in accordance with the Employer's overtime policy.

I. Employees of the Police Department shall receive overtime at the rate of one and one-half (1½) times their regular rate, with a two (2) hour minimum for court appearances outside of working hours. Such employees shall also receive overtime at the rate of one and one-half (1½) times their regular rate when summoned as a witness in a departmental hearing outside of working hours.

J. The Employer shall not vary or rearrange work schedules to avoid the payment of overtime. The Police Department may vary or rearrange work schedules of unit employees to accommodate court appearances and this shall not be considered varying or rearranging schedules to avoid the payment of overtime.

K. The Employer will make every effort to pay for overtime hours worked within two (2) pay periods following the pay period in which such overtime was worked.

## **ARTICLE 19: FLEXTIME**

The Employer and CUB agree to cooperate in promoting the highest efficiency and productivity at the least cost to the taxpayer. In the pursuit of this objective the Employer and CUB shall establish a

Joint Flextime Committee consisting of five (5) members appointed by each party for the purpose of studying the issue of flextime and composing recommendations which would lead to the implementation, where possible, of flextime rules. The Committee shall meet on a continuous basis upon request of either party. Any Committee recommendations will be submitted to the Labor Commissioner for appropriate action.

## **ARTICLE 20: VACATION LEAVE**

A. Vacations leave for employees covered by this memorandum of Understanding is accrued in relationship to the length of continuous service with the Employer as follows:

1. Employees with less than six (6) years of service shall earn vacation leave of one (1) working day for each month of completed service, or a total of twelve (12) days per year.

2. Employees who have six (6), but less than eleven (11) full years of completed service shall earn vacation leave of one and one-quarter ( $1 \frac{1}{4}$ ) working days for each month of completed service, or a total of fifteen (15) days per year.

3. Employees who have eleven (11), but less than fourteen (14) years of completed service shall earn vacation leave of one and one-half ( $1 \frac{1}{2}$ ) working days for each month of completed service, or a total of eighteen (18) days per year.

4. Employees who have fourteen (14), but less than nineteen (19) years of completed service shall earn vacation leave of one and three-quarters ( $1 \frac{3}{4}$ ) working days for each month of completed service, or a total of twenty-one (21) days per year.

5. Employees who have completed nineteen (19) or more years of continuous service shall earn vacation leave of two (2) working days for each month of completed service, or a total of twenty-four (24) days per year.

B. Vacation may be taken by employees entitled thereto subject to the approval of their supervisor. Such approval shall not be unreasonably withheld. It is understood that it is unreasonable to deny an employee's vacation request due to normal staffing shortages. Request for vacation on the prescribed agency form shall be completed by the employee and submitted to the supervisor at least one (1) week prior to the requested commencing date, if the leave is to extend for one (1) week or more. Except in cases of emergency, leave requests for amounts of time less than one (1) week are to be submitted at least one (1) full working day prior to the expected start of the leave. Every effort shall be made to respond to vacation requests within one (1) week of initial request. While every effort shall be made to meet the desires of employees who request their periods of vacation leave, vacation schedules must conform to the requirements of operations and vacations must be taken as scheduled by the supervisor. Conflicting requests for vacation shall be resolved on the basis of seniority.

C. Pay for all vacation days will be based on the employee's regular rate of pay.

D. Notwithstanding any provisions in this agreement to the contrary, the parties have reached agreement to modify the provisions set forth in Article 20, Paragraph D of the 2014-2016 MOU as follows:

1. Legacy Account: All vacation accrued by an employee as of July 1, 2015 shall be placed in each employee's vacation accrual Legacy Account for use while an active employee or paid out at the time of termination. No additional vacation days may be added to an employee's Legacy Account after July 1, 2015.

2. Current Vacation Account:

(a) Vacation Leave: Effective November 1, 2016 and July 1st thereafter, each employee's annual vacation accrual shall be frontloaded and available for use at any time during the fiscal year thereafter and added to any unused carryover vacation (or used to offset any negative current vacation balance) previously accrued to that date from the prior year up to a maximum of 45 days. Thereafter, no more than 45 days may be accrued, including frontloaded vacation, into an employee's Current Vacation Account.

(b) Milestones: Employees' frontloaded vacation amount shall be adjusted as follows to reflect any increase due pursuant to the provisions of Article 20, Paragraph A of the MOU: Each employee reaching a milestone (i.e. completed 6, 11, 14, and 19 years of service) will have one quarter day (1/4 day) of vacation leave added to the current account on his/her anniversary date. An additional quarter day of vacation leave will be added each month until the end of the fiscal year in which the milestone occurs. Thereafter, the full allotment of vacation leave will be frontloaded on July 1st in accordance with Paragraph 2(a) above.

i. Example: Employee completing six years of service on December 15, 2016 would receive one quarter day of vacation leave on December 15, 2016. The employee would receive an additional quarter day of vacation leave on January 15, 2017, February 15, 2017, March 15, 2017, April 15, 2017, May 15, 2017 and June 15, 2017. On July 1, 2017, the employee would be frontloaded fifteen (15) day of vacation leave.

3. Separation:

(a) Upon separation from City employment, Employees having no accrued days remaining in their Legacy Account shall be paid out for all days in their Current Vacation Account up to a maximum of 45 days. Employees with accrued vacation remaining in their Legacy Account at the time of termination shall be paid out for all such vacation remaining in their Legacy Account. Should the number of Legacy Days remaining in the Legacy Account be less than 45, such employee shall also be paid all days accrued in the employee's Current Vacation Account up to a combined total of 45 days.

Examples: At Time of Separation:

Employee A:	Legacy:	120 days
	Current:	45 days
	PAYOUT:	120 days
Employee B:	Legacy:	6 days
	Current:	40 days
	PAYOUT:	45 days
Employee C:	Legacy:	60 days
	Current:	20 days
	PAYOUT:	60 days
Employee D:	Legacy:	0 days
	Current:	35 days
	PAYOUT:	35 days

(b) During the term of this Agreement, and commencing at the beginning of the fiscal year, vacation leave will be front-loaded by allowing employees to use leave during the fiscal year before it is accrued. If for any reason, an employee separates employment during the year and uses more vacation for the year than has been accrued, the employee will be required to reimburse the City for such used vacation.

4. Police Department: The foregoing shall be applicable to all CUB Members employed by the Baltimore Police Department.

5. Communications: The Employer agrees to distribute a Labor Commissioner Bulletin to all CUB Members to include a Directive from Chief Payroll Director to all Payroll Clerical Personnel setting forth the essential terms and conditions of the Parties' agreement. Such Bulletin to be distributed within two weeks of the execution of this Agreement.

6. From July 1, 2016 through October 31, 2016, Employees will be allowed to use up to fifteen vacation days in advance of accrual through the process currently in place (allowing negative vacation accruals). On November 1, 2016, any unused vacation leave from the current fiscal year will be frontloaded in accordance with Paragraph 2 (a) above.

Employees shall have 30 days from the date that the 2016 Vacation accrual is first reflected on their paystub in their Current Vacation Account to file a grievance challenging the vacation accrual, including the 2016 Frontload amount, placed in their Current Vacation Account.

E. Any holiday as defined in this Memorandum which falls within an employee's scheduled vacation shall not be counted as a day of vacation leave.

F. Employees on vacation leave on any day of early closing shall be charged the full vacation leave that they would have been charged if the early closing had not occurred.

G.

1. Vacation leave must be taken in units of no less than thirty (30) minute intervals.

2. In May and October of each year, employees may opt to convert up to two (2) days of accumulated vacation leave to compensatory time.

H. Vacation leave shall accrue provided that the employee is in pay status at any time during the payroll period in which his anniversary date occurs.

I. Prior service shall be recognized in computing vacation entitlement of employees who had permanent status at the time of lay-off due to lack of work or lack of funds and who are subsequently re-employed.

J. Employees who are re-employed, except as specified in I above, following a break in service of more than one year, shall be considered as new employees for the purpose of computing vacation allowance.

K. Whenever employees transfer from a permanent City position to another permanent City position without a break in service, they shall be entitled to retain their vacation, sick leave, personal leave and compensatory time balances.

L. Employees may, when granted leave of absence for military service, utilize their accrued vacation. If such vacation leave is not utilized, it shall be retained pending their return to City service.

M. In addition to payment for the accrued vacation of employees who die, their legal heirs shall be granted a bonus equivalent to the amount of vacation to which the employee would have been entitled for twelve (12) months of service; provided, however, that if within six (6) months immediately prior to the employee's date of death, the employee had been granted extended sick leave in excess of the bonus entitlement, bonus leave shall not be approved. Payment for vacation and bonus leave shall be made to those entitled by law to inherit from the deceased employees.

N. Employees who are separated from City service, regardless of reason, shall be paid in full as of their date of separation for any accumulated overtime, compensatory time (unless exempt from FLSA Provision), and bonus pay, except in the case of bona fide indebtedness to the Employer. The cut-off form must contain, therefore, a recording of all leave due to the employees upon their retirement or resignation.

O. All part-time employees hired after June 30, 1982, must consistently work an average of 50% (fifty percent) of a regularly scheduled work week to be eligible for vacation leave. Eligible part-time employees shall accrue vacation leave in accordance with the following schedule:

P.

1. Part-time permanent employees with less than six (6) years of completed continuous service shall earn vacation leave of one working day for each one hundred sixty (160) hours worked.

2. Part-time permanent employees with six (6) but less than eleven (11) years of continuous completed service shall earn vacation leave of one and one-quarter ( $1\frac{1}{4}$ ) working days for each one hundred sixty (160) hours worked.

3. Part-time permanent employees with eleven (11) but less than fourteen (14) years of completed continuous service shall earn vacation leave of one and one-half ( $1\frac{1}{2}$ ) working days for each one hundred sixty (160) hours worked.

4. Part-time permanent employees with fourteen (14) but less than nineteen (19) years of completed continuous service shall earn vacation leave of one and three-quarters ( $1\frac{3}{4}$ ) working days for each one hundred sixty (160) hours worked.

5. Part-time permanent employees with nineteen (19) or more years of continuous completed service shall earn vacation leave of two (2) working days for each one hundred sixty (160) hours worked.

Q. In each instance, the vacation day shall be eight (8) hours.

R. Employees who have not previously served a probationary period shall earn vacation at the rate of one (1) day per month of completed service and shall be entitled to use their accumulation upon the completion of their probationary period of six (6) months. The probationary period shall not interfere with the employees' privilege of using sick leave or personal leave as it is accumulated; provided, however, that in the event a probationary employee's service is terminated, all earned accumulated leave referred to above shall be forfeited.

Employees who become ill during their vacation may request that their vacation leave be converted to sick leave provided that (1) the illness is reported at its onset and (2) medical verification is provided upon return to work. Only those vacation days upon which the employee was ill will be eligible for conversion to sick leave.

## **ARTICLE 21: SICK LEAVE**

A. Sick leave with pay shall be received by employees who have accrued sick leave and who are required to be absent from duty because of personal sickness, injury, medical appointments, or pre- or post-natal disability.

B. Sick leave shall accrue at the rate of (1) day for each month of completed service, provided that the employee is in pay status at any time during the payroll period in which her/his anniversary date occurs. Unit members appointed to the Police Department prior to July 1, 1973, shall continue under the present sick leave accumulation policy.

C. There shall be no ceiling on accumulation of sick leave.

D. Employees may convert to cash one (1) day of unused sick leave for each four (4) days of sick leave accrued during the sick leave year at their rate of pay at the time of conversion. The sick leave year begins on the day immediately following the last payroll period in October and extends through the last payroll period in October of the following year. All sick leave days not converted to cash shall be carried forward and retained as accrued sick leave. Payment for such converted sick leave will be made by a separate check, including the usual deductions for taxes and social security, and shall be made to such employees no later than December 24.

E. Employees who resign or terminate employment after June 1 of a given year shall be entitled to convert to cash one (1) day of unused sick leave for each four (4) days of sick leave accrued during the then current sick leave year, at the time of said resignation and/or termination from City Service.

F. In addition to their accrued vacation leave, employees who are pensioned or who elect to terminate their service without pension and have completed at least twenty (20) years of service, regardless of age, shall be entitled to a bonus of one (1) day's pay for each four (4) days of unused accumulated sick leave at the time of their retirement and/or termination from City service.

G. Sick leave will not be granted where there is evidence of abuse of the sick leave principle through malingering or false application for such leave. In the event the Employer believes that evidence of abuse exists and upon request by the employee, the Employer shall provide the employee with the reasons in writing why it is denying the sick leave.

H. Sick leave must be taken in units of at least thirty (30) minutes.

I. Employees shall notify their department prior to the start of the employee's work shifts on the first day of absence due to illness, and at such intervals as specified by the department for the duration of such absence. J. All use of sick leave is subject to verification. Periodic examination by the Employer's physician shall be at the Employer's expense. However, a physician's statement from an employee's private physician may not be required for periods of absence less than three (3) consecutive days, unless abuse is suspected. In the event abuse is suspected, the Employer shall provide the basis for such suspicion at the time a physician's statement is required and provide such explanation, in writing, as soon thereafter as practical.

K. Sick leave with pay shall be granted for pre- or post-natal disability to an employee who is disabled to such a degree that she is unable to provide service to the Employer. The Employer and CUB recognize that this disablement will occur, in most cases, during the period four (4) weeks before delivery and six (6) weeks after delivery.

An employee who is temporarily absent due to reasons described above from her position and who remains on the payroll in either an "S" or "SX" status due to that continuing disability, and who is not on a leave of absence, shall be allowed to return to her respective position at the end of the disability.

L. Should a day designated herein as a holiday occur while an employee is absent on sick leave, such day shall be observed as a holiday and shall not be charged against sick leave.

M. Employees with at least two (2) years of service who are unable to return to work after all of their accrued sick leave, vacation leave, personal leave and compensatory time has been exhausted may request extended leave with pay. If the Department Head deems such an extension advisable, he may recommend it to the Department of Human Resources. Such request must be accompanied by a medical certificate. The formula for sick leave extension will be based on the last three (3) full years, excluding current illness. No extension, however, may exceed the number of days allowed in the basic sick leave plan; one (1) day per month of completed service (or in the case of part-time permanent employees one (1) day for each one hundred sixty (160) hours worked). Upon return to work and after accumulating ten (10) sick leave days, an employee receiving this benefit shall reimburse the City for one-half (1/2) of the extended sick leave days granted. If a request is denied by the Department Head, an appeal may be made to the Department of Human Resources.

N. All part-time employees hired after June 30, 1982, must consistently work an average of 50% of a regularly scheduled work week to be eligible for sick leave. Eligible part-time employees shall accrue sick leave at the rate of one (1) day sick leave for each one hundred sixty (160) hours.

Crossing Guards will be eligible for this prorated benefit.

O. Up to five (5) days of accumulated sick leave may be used by a Unit member, in a rolling year, in the case of illness in the Unit member's immediate family. For purposes of this provision, immediate family under the FLMA shall mean child including biological, adopted, foster, step

child or legal ward, or other child for whom the employee has day to day responsibilities for care and legal support who is under the age of eighteen or older if the child has a mental or physical disability, spouse, or parent. Should the FMLA be modified so as to change this definition of immediate family, this provision shall be considered so modified.

P. Sick leave that is requested in advance for medical appointments shall not be unreasonably denied nor counted as an occasion against that employee under the Attendance Monitoring Standards Program.

Q. The City Union of Baltimore Sick Leave Bank hereinafter referred to as “the Bank” will continue in effect. Membership in the Bank will be voluntary for all employees. All new employees who request membership will be assessed one (1) day of sick leave for deposit in the Bank.

A member of the bargaining unit may receive a grant from the Bank only after:

1. Filing an application with the Sick Bank Committee.
2. Submitting satisfactory medical evidence of the illness or injury.
3. Submitting evidence of having exhausted all accumulated leave.

The Board of Directors of the Bank shall be composed of four (4) representatives of the Union appointed by the President and four representatives of the Employer appointed by the Labor Commissioner.

New employees must join the Bank within the first thirty (30) days after completion of their probationary periods or lose their right to join until the next contribution period.

Employees entering the bargaining unit must join the Bank within the first thirty (30) days or lose their right to join until the next open enrollment period.

Employees may relinquish their membership in the Bank at any time; if they do so, however, they will lose their contributions in the Bank and will not be allowed to join again until the next contribution period.

A member will lose the right to receive grants from the Bank if his employment with Baltimore City is terminated.

All contributions will remain in force and cannot be returned even upon cancellation of membership.

All unused sick leave days in the bank at the end of the year shall be carried over to the next year.

Sick leave conversion shall not be affected by participation in the Bank unless the contribution is taken from the current year's accumulated sick leave balance.

R.

1. Where an employee has a physician's statement permitting the employee to return to work after an extended period of absence for medical reasons (30 days or more), the normal practice shall be that the employee is put back to work. If there is a legitimate medical or business reason, the employee may be required to report for examination to the Employer's physician (Mercy Clinic).

2. In the event the Employer requires an employee to submit to such evaluation, the evaluation shall be limited in scope to the cause of the disability for purposes of determining the employee's fitness for duty. The evaluation shall not require as a condition of employment, a fitness or wellness standard as a condition of employment.

Affected employees shall be further reimbursed for laboratory and administrative fees not to exceed sixty dollars \$60.00 per semester.

All personnel requiring a special license to maintain a position shall be reimbursed for renewal fees, other than motor vehicle operating licenses, by the Employer.

### **ARTICLE 36: TRAINING AND DEVELOPMENT**

A. The City presented a training and development program for FY 2013. The Employer shall conduct an in-service training program which shall be administered by the Department of Human Resources. This program shall include substantive training in policies and procedures which are relevant and important for employees and unit supervisors as determined by the City. Examples of training include sexual and other workplace harassment, workplace violence, compliance with employment laws (FMLA, ADA, Title VII, etc.), substance abuse, etc. The Department of Human Resources shall modify the training from year to year to see that employees get a broader range of training and development.

B. Unit members who are required to take a certification examination as a requirement of their job classification shall be provided time off with pay to sit for such examination when scheduled during normal work hours. Employees scheduled to evening shifts shall be granted permission leave on the evening that such examination is taken.

### **ARTICLE 37: JOB SECURITY**

A. In cases of layoff or job elimination, it is the intent of the parties to (1) identify positions where layoff or job abolishment is imminent and/or foreseeable/anticipated (*e.g.*, water meter section, etc.); and (2) to include planning for employee reassignment, re-training, and placement in other City employment opportunities where possible.

B. In the case of planned layoffs or reductions in force, especially where there is going to be an elimination of a group or unit of employees, the City shall make its best efforts to identify positions which are open and/or for which the laid off employees may be qualified and/or trained to perform. Human Resources from the Agency shall then meet with employees who will be affected by a layoff and provide any job options available and assist employee in finding a suitable position in another section with the member's Department. In cases of layoff, the Agency shall notify the Department of Human Resources of the employee(s) involved. Employees shall be required to advise the Department of Human Resources of any change of address or telephone number so that the employee may be contacted in case of job openings. Where appropriate, the Department of Human Resources shall do a skill assessment of affected employees and recommend re-training.

C. The parties agree that the process to be followed shall differ depending upon whether the amount of notice of the layoff is short or foreseeable well in advance.

D. At least thirty (30) days prior to the effective date of any layoff, the Labor Commissioner shall provide written notice to the Union. The notice shall include the number of positions affected, by division and classification, and a list of all CUB classified positions the Employer is then actively seeking to fill through job posting or other means. Within two (2) weeks of the issuance of the notice to the Union, the Employer shall meet and confer with the Union to discuss the planned layoff and consider alternative proposals.

### **ARTICLE 38: VISITATION**

A. An officer or accredited representative of CUB shall, upon reasonable request by CUB, be admitted to the property of the Employer during working hours and shall be granted reasonable time for the purpose of discussing or assisting in the adjustment of grievances under Article 8 of this Agreement. Each CUB representative wishing to be admitted to the property of the Employer for this purpose shall notify the appropriate management representative in advance. The Employer agrees that during working hours, on the Employer's premises, and without loss of pay, a designated CUB representative shall be allowed to:

1. Post official CUB notices.
2. Transmit communications authorized by CUB or its officers to the Employer or his representative.

B. If any Steward or CUB official charges harassment in the performance of his duties as a representative, the matter shall be resolved between the Labor Commissioner's Office and CUB immediately.

**ARTICLE 39: BULLETIN BOARDS**

The Employer agrees to provide reasonable bulletin board space (e.g., lobby, break-room, etc.) labeled with CUB's name where notice of official CUB matters may be posted by CUB.

**ARTICLE 40: NO STRIKE OR LOCKOUT**

A. CUB and its members, individually or collectively, agree that there shall be no strikes, slow-ups, stoppage of work and the City agrees that there shall be no lockout.

B. In the event of an unauthorized strike, slow-up or stoppage, the Employer agrees that there shall be no liability on the part of CUB; provided CUB promptly and publicly disavows such unauthorized strike, orders the employees to return to work and attempts to bring about a prompt resumption of normal operations; and provided further that CUB notifies the Employer, in writing, within forty-eight (48) hours after the commencement of such strike, what measures it has taken to comply with the provisions of this Article.

**ARTICLE 41: SUBCONTRACTING**

A. During the term of this Agreement, except in cases of emergency, when the Employer is contemplating contracting out work that is normally performed by unit employees, the Employer agrees to give notice as far in advance as practical, where possible at least sixty (60) days, to discuss with CUB, prior to actual implementation, any plan to contract work ordinarily assigned to or performed by CUB-represented employees which would result in a layoff or demotion. The Employer agrees to discuss the impact of such contract, all offered alternatives to contracting out this work or laying off employee, including without limitation, whether the work can be performed with unit employees in a manner which is as cost effective as an outside contract, employment of unit employees in the same or similar classification doing similar work, or in other classifications for which they are qualified.

B. The parties agree that concerns relating to subcontracting are appropriate topics for the departmental labor-management committees.

C. Except in cases of emergency, and from time to time on a temporary basis not to exceed 3 months to address legitimate temporary needs, the Employer shall not allow members of other Baltimore City Bargaining Units, (FOP, IAFF, and AFSCME or Community Aides and Seasonal Maintenance Aides) to perform work which is normally performed by bargaining unit employees at the particular location.

**ARTICLE 42: TECHNOLOGICAL CHANGES**

The Employer and CUB recognize that advances in technology lead to changes in the work environment. The Employer and CUB also recognize that the retention of experienced employees is essential to efficient City operations. The Employer and CUB will cooperate in providing transitional assistance to those employees affected by technological changes. The Employer shall make every effort to find a position for which the affected employee is qualified within City employment.

#### **ARTICLE 43: LABOR-MANAGEMENT MEETINGS**

The Employer and CUB agree to the establishment of Labor-Management meetings to discuss concerns of both parties and to foster improved communication between the Employer and members of the bargaining unit. The parties shall meet at least once a month, unless both parties agree to waive the meeting. The parties may agree to meet in the interim between regularly scheduled meetings. Labor-Management meetings are not negotiations and cannot add to, subtract from, or otherwise modify the terms of the collective bargaining agreement, nor shall grievances or appeals be discussed at these meetings. Labor-Management Committees shall be composed of no more than five (5) Union representatives and five (5) management representatives. The Union representatives shall be granted paid release time to attend Labor-Management meetings.

At least five (5) working days prior to the agreed meeting date, each party shall provide the other with an agenda. This requirement may be waived by mutual agreement.

#### **ARTICLE 44: LATENESS**

The Employer and CUB recognize the issue of lateness as a concern of both management and employees. The Employer and CUB agree to establish a joint labor-management committee consisting of no more than seven (7) Union representatives and no more than seven (7) management representatives appointed by each party for the purpose of examining the lateness problem and developing a lateness policy. This Committee shall convene its first meeting no later than November, 2017 and submit its final report to the Labor Commissioner and the President of CUB no later than June, 2018.

#### **ARTICLE 45: PRINTING OF THE MEMORANDUM**

The Employer shall prepare and provide to CUB an electronic copy of the final version of the Agreement as noted by the Board of Estimates in a printable format. Each party shall be responsible for printing copies of the Agreement for its constituents at its own expense.

#### **ARTICLE 46: MISCELLANEOUS PROVISIONS**

A. The City shall print and furnish to employees a Department of Human Resources handbook with highlights from Civil Service Rules giving the rights and benefits of employees.

B. The Employer will amend written work rules and policies and take such other action as may be necessary to give full force and effect to the provisions of the Memorandum of Understanding. If any provision of this Agreement or any application thereof to any employee or group of employees is held to be contrary to law by a court of competent jurisdiction, such provision or application will not be deemed valid and subsisting, except to the extent permitted by law, but all other provisions or applications will continue in full force and effect. Any substitute action shall be subject to appropriate consultation with the Union.

**ARTICLE 47: SEVERABILITY**

If any provision of this Agreement or application thereof to any party is declared invalid, illegal, or unenforceable for any reason by the court of competent jurisdiction, such invalidity, illegality, or unenforceability does not affect other provisions or applications of the Agreement, which can be given effect without the invalid application or provision, and to this end the provisions of this Agreement are severable, unless otherwise provided by the law.

This Memorandum of Understanding is signed on the 31st day of October, 2023, in Baltimore, Maryland.

# ADDENDUM A: Third Health and Prescription Drug Plan Agreement

## THIRD HEALTH AND PRESCRIPTION DRUG PLAN AGREEMENT

This Third Health and Prescription Agreement for City employees and dependents is made by and between the City of Baltimore (the "City") and the employee organizations designated as exclusive representatives of City employees in bargaining units certified under the Municipal Employee Relations Ordinance, including CUB, AFSCME, FOP, IAFF, and also including MAPS<sup>1</sup> (the "Unions") (hereinafter referred to as the "Agreement").

WHEREAS, the City and the Unions first entered into a Health and Prescription Drug Plan Agreement which was adopted by the Board of Estimates on November 7, 2012 (the "2012 Agreement"); and

WHEREAS, the 2012 Agreement was succeeded by the Transition Health and Prescription Drug Plan Agreement approved and adopted by the Board of Estimates on April 7, 2016 (the "2016 Agreement"); and

WHEREAS, pursuant to Paragraph 14 of the 2012 Agreement and Paragraph 9 of the 2016 Agreement, the 2012 and 2016 Agreements, respectively, were included as an attachment to each of the Unions' respective collective bargaining agreements (viz. Memorandum of Understanding) to begin with Fiscal Year 2013 through Fiscal Year 2018; and

WHEREAS, although the 2016 Agreement was to expire for each of the signatory Unions on December 31, 2017, the City and the Unions desire to continue to address health and prescription drug benefits on a City-wide basis with an agreement to succeed the 2016 Agreement through December 31, 2020;

IT IS HEREBY AGREED by and between the parties hereto:

1. Health Insurance Committee Meetings and Activities. The Health Insurance Committee ("HIC") that was re-established under Paragraph 9 of the 2012 Agreement shall continue in effect as follows:

a. The HIC shall be composed of equal numbers of Union and City representatives. Each Union and MAPS shall appoint one representative to the HIC, and the City shall designate representatives from the Office of the Labor Commissioner, the Department of Human Resources (including the Division of Employee Benefits), the Department of Finance, and the Office of Mayor. The parties' representatives may designate professional consultants to attend the meetings and participate in the business of the HIC. Should the Unions choose to have a consultant participate in HIC meetings, they shall choose a joint consultant.

b. The HIC shall meet no more than three (3) times but no less than two (2) times between the months of June and September to discuss cost containment, efficiencies, wellness, and other relevant issues, to review data for each plan for active employees (and pre-65

<sup>1</sup> The City's obligation to MAPS is to "meet and confer." Consistent with the parties' practice under the preceding Health and Prescription Drug Plan Agreement, MAPS was invited to participate in the discussions regarding this Agreement. Nothing in this Agreement should be construed as modifying MAPS' status under the Municipal Employees Relations Ordinance or in any way creating a duty to bargain with MAPS.

retirees) and other relevant information, as raised or requested by the Unions or the City, or their respective consultants. The union shall provide a proposed agenda no later than week prior to each requested meeting.

c. The City shall also continue to provide the Unions' consultant with the same or similar quarterly information that it has been providing to date. In the event that the Unions' consultant requests to meet and confer with the City's representatives, or requests information related to the City's plans, the City shall respond to such requests within a reasonable period of time (and where the response is a denial of the Unions' request, the City shall provide the reason for such denial). No data or documents may be unreasonably withheld nor may any communication be unreasonably delayed. Any complaints regarding the content or timing of the City's response, if not resolved directly between the consultants or between the Unions' consultant and the involved City representative, shall be brought to the attention of the Labor Commissioner who shall attempt to resolve the issue promptly. Access to data and documents available under this Agreement shall be in addition to any rights or remedies conferred under the State's Public Information Act.

d. One of the HIC meetings conducted between June and September shall be used to discuss each health insurance provider's Annual Provider Report as set forth in Paragraph 2 below. The consultants designated by the Unions and the City may be required to attend the HIC meeting(s) concerning the Annual Provider Reports.

e. Upon mutual agreement, HIC meetings may by mutual agreement be adjourned and continued to be resumed on subsequent timely dates to enable the City and its consultant(s) to fully respond to the Unions' requests for documents, information and data.

f. When requested, documents, information and data shall be furnished by Provider program, and with separate disclosure of revenues, claims and expenses for active employees (and covered dependents) and pre-Medicare eligible (e.g., pre-65 YOA) retirees and covered dependents to the extent that in the ordinary course such information is collected or maintained as so differentiated in the ordinary course of business.

2. **Annual Provider Reports.** Each health insurance plan provider engaged by the City shall provide the City with an "Annual Provider Report" which shall include, for the prior plan year, data relating to enrollment, claims (including data regarding claims exceeding \$75,000), administrative costs, utilization trends, any surplus or deficit for the prior plan year, and other relevant information about each program offered by the Provider under the City's Plan. The City shall provide the Annual Provider Reports to the Unions and their consultant promptly after receiving the reports from the providers but in any event no later than June 15 each year.

3. **Premiums/Premium Equivalents.**

a. To the extent that the Unions request data about the prior plan year's revenues, claims and costs associated with any of the City's health insurance programs and that, reasonably viewed, such requests are made to enable the Unions and their consultant to gauge the determination of premium equivalents for an upcoming Plan Year, such documents, data and information shall be furnished by the City to the Unions within the month of July, if available.

b. Subsequent to receiving from its consultant the projected premiums and/or premium equivalent rates, but no later than August 25, the City shall provide the Unions with (1) the formula, methods, and data used by the City's consultant to build rate projections for the ensuing Plan Year, and (2) a report containing the projected premiums and/or premium equivalent rates for each Provider program within the City's Plan (including both self-insured and fully-insured plans) proposed for each plan year, with supporting data.

c. Should the Unions or the Unions' consultant wish to confer with the City's consultant concerning the proposed rates, the Unions shall request such meeting(s) in writing no later than 15 days following the disclosure of the proposed rates, but in any event, no later than September 10. Such meeting(s) shall be held at least ten (10) days prior to the submission of the proposed rates to the Board of Estimates. The City shall consider and respond to the Unions' positions (and those of the Unions' consultants) at least ten (10) days before submission of the proposed rates to the Board of Estimates.

4. Current Plans and Cost Sharing. The City's Health and Prescription Drug Programs, the Providers and the plan of benefits for each of those City programs (as published in the City of Baltimore Plan Year 2018 Benefits Guide) shall remain unchanged through December 31, 2020. That current statement of benefits is attached hereto as Exhibit A. The current employee/employer split in percentage of premium rates also shall remain unchanged through December 31, 2020.

5. Requests for Proposals.

a. It is understood that the City may issue Request(s) for Proposals ("RFPs") for some or all of its plans for plan year 2021, through which the City may solicit proposals from current and/or other health insurance providers, as appropriate and consistent with the City's Charter. Before issuing any RFP, the City shall engage in meaningful discussions with the Unions and their benefits consultant between October 1, 2019 and January 31, 2020 about which health insurance benefit programs, benefit options, providers, pricing and methods of delivery are in the best interests of the City and all benefit plan participants. In entering into these discussions, the City does not waive its Charter prerogatives to determine providers and pricing, nor shall the Unions waive their rights under the Municipal Employee Relations Ordinance.

b. In addition to the discussions that are described in Paragraph 5.a., above, no less than 45 days before the release of any RFPs, the City shall notify the Unions of the proposed health insurance benefit options and plan structure(s) to be included in the RFP(s). After the Unions have been provided with this information, there shall be at least one HIC meeting at which the Unions shall have a meaningful opportunity to review and discuss with the City the RFP, and to propose changes to the proposed RFP(s) to which the City shall give meaningful consideration and response at least 5 days prior to issuance of each RFP.

c. After the City has received and reviewed the response(s) to an RFP, should the City decide that it wishes to add or eliminate a particular health insurance provider, the City shall so advise the Unions and provide the reasons for its desire to make such a change (e.g., because of proposed premium increases, service to participants, lack of participation in a given plan, efficiency through consolidation, etc.) at least 30 days before such action is recommended to

the Board of Estimates. The Unions and the Unions' consultant shall have a meaningful opportunity to discuss within the HIC any such proposed changes before the changes are implemented by the City.

d. The Unions shall be permitted to appoint two (2) Union representatives, in addition to the Unions' designated consultant, which representatives and consultant shall be permitted access to and participate in the process and meetings in development, interviews and scoring of each of the RFPs.

e. The parties shall be reasonable in exercising their rights under this Paragraph 5 and shall not impair or cause any unreasonable delay to the procurement of new health and prescription drug benefits.

f. In any event, all health and prescription benefit procurements shall be subject and subordinate to Article VI of the City Charter, and the sole authority of the Board of Estimates and the Director of Finance in that process.

6. Surplus from Self-Insured Plans.

a. Following the close of each plan (calendar) year, on or before May 1, and, in general, applying generally accepted accounting principles under the rules of the Governmental Standards Accounting Board (the "GASB"), the City shall furnish, in good faith, to the Unions and their designated consultant, an operating gain/loss statement for each self-insured plan.

b. The good faith operating gain/loss statement shall account for all premiums (and premium equivalents) of the plan for the benefit year as compared to expenditures for the plan. Expenditures shall include but not be limited to, estimated incurred claims, premiums paid, administrative, network, and other fees, and any taxes. The documents, information and data considered shall be furnished by Provider program, and with separate disclosure of revenues, claims and expenses for active employees (and covered dependents) and pre-Medicare eligible (e.g., pre-65 YOA) retirees and covered dependents to the extent that in the ordinary course such information is collected or maintained as so differentiated in the ordinary course of business.

c. In the event that a surplus results from the difference between premiums and payments received from covered employees (including all active employees and dependents, and all pre-65 retirees and dependents), and rebates and remissions from Providers, in excess of plan expenses in the aggregate for all health and prescription drug plans (i.e., taking into account any variance (positive or negative) in all plans), for Plan Years 2016, 2017, 2018, 2019 and 2020, the City's view of the appropriate application of any year-end surplus shall be discussed between the City and the Unions. Surplus funds may not be applied by the City for any other purpose than (a) the City's medical insurance plans covering active employees, pre-65 retirees and dependents, (b) to sustain the City's health insurance plans by deposit in the Premium Stabilization Fund that is described and defined in Paragraphs 7.a. and 7.b. of this Agreement, or (c) to defer the City's OPEB liability. Beginning with Plan Year 2018, and in each Plan Year thereafter, surplus funds from the prior Plan Year (and in the case of Plan Year 2018, the surplus funds from Plan Years 2016 and 2017) shall first be deposited to the account of the Premium Stabilization Fund to attain and maintain that Fund's minimum balance as defined in Paragraphs 7.b. and 7.c.

d. Surplus (between premiums collected and payments disbursed) attributable to currently enrolled active employees may not be used to offset the City's OPEB liability or applied to support the City's OPEB Trust without disclosure in advance to the HIC.

e. Conditioned on continuation of the present benefit Plans, benefit options and Providers, and current premium splits are maintained as provided in Paragraph 4 of this Agreement, in no event shall any refund be given to participating employees from any year-end surplus (as defined herein) for Plan Years 2016, 2017, 2018, 2019 or 2020.

**7. Premium Stabilization Fund.**

a. The City shall maintain a Premium Stabilization Fund (the "Fund") within the Risk Management Fund. The proceeds of the Fund shall not be comingled with any part of the City's General Operating Fund, but, instead, the Fund shall be maintained by the City for the exclusive benefit of active and pre-65 persons covered under the City's Health and Prescription Drug Plan under this Agreement. The Fund shall be used only to enable the City to defray a year-end Plan Year deficit in the Medical and Prescription Drug accounts, after all revenues, claims and costs are fully accounted for after full disclosure to the Unions and their designated consultant

b. Any Plan Year-end surpluses in the Medical and Prescription Drug accounts, as defined in Paragraphs 6.a. and 6.b., will be transferred into the Premium Stabilization Fund until the balance in the Fund reaches the equivalent of two months of medical and prescription drug claims for the most recent completed Plan Year. The Director of Finance will report to the Unions on the balance of the Fund within three (3) months after the end of each Plan Year, i.e., by March 31 of the following year.

c. When the Premium Stabilization Fund balance is equal to or greater than two months of medical and prescription drug claims (for the exclusive benefit of active and pre-65 persons covered under the City's Health and Prescription Drug Plan under this Agreement) for the most recently completed Plan Year, the City will not add margin to its pricing of premium equivalents for its self-insured Medical and Prescription Drug programs.

d. Disbursements from the Fund shall be authorized only upon application by the Director of Finance approved by the Board of Estimates which application shall be furnished to the Unions before it is presented to the Board of Estimates. Should disbursements be authorized from the Fund by the Board of Estimates due to a year-end plan deficit as defined herein, then, in subsequent plan years, year-end plan surplus shall be exclusively applied first to restore the Fund, until the Fund is completely restored when other authorized applications of surplus may be considered consistent with Paragraphs 6.b and 6.c.

8. **Attachment to Individual Union MOUs.** This Agreement (including referenced attachments) shall be included as an attachment to each Union's MOU.

9. **Disputes:** All disputes about the application or interpretation of the terms of this Agreement shall first be presented in writing to the HIC, and absent agreement, shall be referred, collectively by the participating employee organizations that are exclusive representatives under

the Municipal Employee Relations Ordinance, and/or the City, for a decision by a neutral arbitrator who is a member of the National Academy of Arbitrators using the administrative processes of the American Arbitration Association. The fees and costs of the Association and of the selected neutral arbitrator shall be shared equally between the two parties.

10. **Notice:** For all purposes, notice to the Unions shall be sufficient if given to the Unions and to the City of Baltimore through correspondence in writing addressed to the Office of the Labor Commissioner.

11. **Term.** This Agreement shall remain in effect through December 31, 2020, except for those provisions which expressly refer to events occurring after that date (e.g., Paragraphs 5 and 6) which added provisions shall not expire on that date.

**Out-of-Pocket Maximum Definition:** The yearly out-of-pocket maximum is the highest or total amount your health plan requires you to pay towards the cost of your health care. Once you have met your out-of-pocket maximums you will not be required to pay towards the cost of services, you will still be required to pay your premiums.

**Out-of-Pocket expenses** are what you pay for health-related services above and beyond your monthly premium, including: annual deductible, coinsurance and copayments.

July 9, 2009

Whereas the City has determined that effective on or about July 13, 2009, it will implement a system of Solid Waste Collection, previously referred to as the "1+1 Collection System"; and

Whereas the City believes that this System will function most efficiently if various employees, including various Bureau of Solid Waste supervisors who are represented by CUB, work a 4-day/10-hour shift; and

Whereas the Union believes that the 4-day/10-hour shift is one which the affected employees will favor;

Now therefore, the City and the Union agree to modify their Memorandum of Understanding for FY 2009 and FY 2010 as follows:

### **Article 17: Hours of Work**

Amend Article 17 to make the existing paragraph A, subsection A.1, and add a subsection A.2 which shall read as follows:

"A.2. 4-Day/10-Hour Schedule: Effective July 13, 2009, various supervisors in the bargaining unit who are assigned to the Solid Waste Collection (mixed refuse, recycling and corner can collection) may be assigned to a forty (40) hour work week, which shall consist of four (4) 10-hour days, Tuesday, Wednesday, Thursday, and Friday. The employees thus assigned shall be given a paid lunch of forty-five (45) minutes."

### **Articles 20, 21, and 23 – Vacation, Sick, Personal Leave and Holidays**

Add language which reads as follows and which shall apply to leave Articles 20, 21, 22, and 23:

"Effective July 13, 2009, any full day of paid leave used by a member of the bargaining unit who is assigned to Solid Waste Collection on the basis of a four (4) 10-hour day work week shall be debited on the basis of ten (10) hours for each day used. Benefit accruals shall continue to remain the same, so, for example, employees shall continue to receive a total of eighty-eight (88) hours of holiday leave for each year (plus additional paid days off for the General Election Day).

One full day of accrued leave for such events as holidays, vacation, personal leave, and sick leave, shall be accrued on the basis of eight (8) hours of pay.

If an employee accrues and/or uses less than a full day of work, the leave used shall be accounted for in apportioned units of 1/10<sup>th</sup>."

Add the following to amend Article 23 Holidays:

“For holiday leave due and accrued under the Holiday provision for those employees assigned to the Solid Waste Collection 4-day/10-hour schedule, ten (10) hours shall be deducted for each observed holiday that falls on the employee’s regular day of work (*i.e.*, Tuesday through Friday). Any hours not expended to cover observed holidays that fall on a regular day of work (*i.e.*, Tuesday through Friday) may be used for paid time off from work on other dates.”

Add the following to amend Article 23, Holidays:

When an observed holiday falls on a regular day of work (*i.e.*, Tuesday through Friday) for ten (10) hour day employees assigned to Solid Waste Collection, a “make up” collection day will be scheduled on the following Saturday. Employees shall be expected to report for work on a “make up” collection day in the same manner as on a regular day of work. Notwithstanding the provisions for Article 23, paragraph C of the current MOU, should July 4<sup>th</sup> or December 25<sup>th</sup> fall on a Saturday, such holidays shall be observed on Saturday without movement to the preceding Friday.

**Intent of Parties:** It is the intent of the parties that employees working the 4-day/10-hour schedule shall continue to receive the same amount of leave for holiday, sick, personal and vacation leave (*i.e.*, eight (8) hours for every day earned/accrued) as they presently receive under the 5-day/8-hour schedule, and that nothing in this Modification Agreement is intended to, nor shall it be construed to mean that such affected employees have conceded any reduction in pay related benefits over those contained in the current MOU between the parties.

RE: CUB UNREPRESENTED POSITIONS

Dear Ms. Ryan-Johnson:

Article 12 Municipal Labor Relations provides that as the Labor Commissioner, I determine units appropriate for representation. Certain governing standards are set forth in the code section in order to aid in those decisions. For example, units appropriate for representation are those that are compatible with the joint responsibilities of the employer and the employees to serve the public. In addition, unit descriptions include job classifications with similar job duties, skills, wages, educational requirements, supervision, hours of work, job location and working conditions.

As part of our agreement, I am conducting a study of unrepresented City Union of Baltimore (CUB) positions which may be appropriate to include in CUB's bargaining unit.

In addition, I am also conducting a study regarding contractual positions in the City of Baltimore to determine if those contractual positions doing CUB bargaining work are in violation of any negotiated agreements with CUB.

I will submit quarterly progress reports to you as I complete each phase of the study.

Sincerely,

Deborah F. Moore-Carter

**RE:** In the Matter of City Union of Baltimore and Mayor and City Council of Baltimore:  
Workday

Dear President Ryan-Johnson,

This Side Letter is executed to document the understanding and accord between the City of Baltimore ("City") and the City Union of Baltimore ("CUB") with respect to Workday-related payroll matters. Accordingly, it is hereby agreed that, effective on the date of notation by the Board of Estimates, the City will implement the following measures to address payroll system errors associated with Workday as a pilot program that will continue through June 30, 2024, at which time the parties agree to discuss Workday-related payroll matters:

1. For each underpayment in excess of \$50.00 an employee incurred as a direct result of an administrative mistake caused by processing performed by Workday in the Workday system, the City will reimburse the employee **for the amount of the verifiable financial penalties** in an amount up to \$500.00 provided the employee (a) notifies the Agency's Human Resources Office/ Fiscal Office concerning the payroll mistake, and (b) produces supporting documentation (e.g., late fee notice, bank statement, interest charge on written statement) to the Agency's Human Resources Office/ Fiscal Office for the error that the City confirms.
2. Employees seeking reimbursement under this section must provide notice of the payroll error within two (2) pay periods of the mistake and supporting documentation within sixty (60) days after reporting the mistake.
3. The respective Agency will process the reimbursement request within two (2) pay periods of document submission. The monies employees receive for reimbursement under the pilot program will be considered taxable income.
4. For any grievance under this Side letter involving a claim of \$1,000.00 or less, the arbitration procedure will be limited to Expedited Arbitration pursuant to the Article 8 of the MOU. The Union will seek to process any grievances involving similar claims (of individual amounts at or below the above amount) under this Side letter as a group grievance pursuant to the Expedited Arbitration Rules of Article 8.

5. Effective July 1, 2023, the Employer shall arrange online training or an annual one-day "Workday Workshop" for employees having difficulty with the system or seeking refresher training. Employees seeking assistance at such Workshop shall sign up in advance to attend the Workshop on a form provided by the Employer, or other method of notification as determined by the Employer. The Workshop shall be conducted by a person having knowledge of the Workday System and shall include an overview of the Workday System, a review of employee data entry requirements, and a Q&A session to address individual difficulties attendees are facing.
6. Consistent with applicable law, whenever payroll adjustments are made to correct payroll errors, or in cases of retroactive pay adjustments, and other similar matters, such adjustments shall be accompanied by a paystub that identifies the breakdown of such payment into appropriate pay categories, including without limitation: hourly rate, the number of hours at RSTHR, overtime rate and number of hours at the overtime rate, leave pay (vacation, sick, personal, etc.), and pay period covered, and a detail of all deductions and the related reason for the deduction.

Sincerely,

Deborah F. Moore Carter
